Wisconsin Dual Sport Riders
511 Church Street
Fall River, WI 53932

Dear Friends:

I would like to personally thank you for donating to the Ride for Research Fund (112906639) at the University of Wisconsin Carbone Cancer Center (UWCCC) with your recent gift of \$9,125.00.

At the UWCCC, we see evidence every day why cancer research is so critical:

It saves lives;
It alleviates pain and suffering;
It gives *hope*.

As Wisconsin's *only* National Cancer Institute's designated comprehensive cancer center, the UWCCC strives to work together to find the best ways to detect, prevent and treat cancer. Truly, there is no better setting for cancer research than a comprehensive cancer center, where researchers are reminded daily by our patients of the urgency of their task and where the applications of basic science to new strategies for prevention and treatment are both clear-cut and striking.

Your support *always* makes a difference, and we are most appreciative.

Please know you will be receiving a formal gift acknowledgment and receipt from the UW Foundation, the organization that stewards all gifts to the University of Wisconsin. Once again, thank you for your support of the UWCCC and our research initiatives.

Sincerely,

Howard H. Bailey, MD
Director, UW Carbone Cancer Center

*Thank you again for your commitment to
cancer research, especially Drs. Halberg
and Raynor's ongoing breast and colon
cancer research!*
